A warm welcome to the Maximilians Brauwiesen in Lahnstein!

For over 30 years, we have stood for craftsmanship, friendship and passion. Our brewery has been run by the second generation since 1991, while our butcher's shop has been in the hands of the third generation since 1949.

With great heart, we want to make your visit with us a delightful experience. Our love for good food and friendly gatherings drives us and fills us with joy. Our success is built on a diverse, family-like team made up of skilled craftsmen, professionals, career changers, entertainers, and wonderful personalities.

Out of respect for our products, we place great value on freshness, quality, and regional sourcing. We obtain our fresh ingredients from long-standing partners in the region. In our inhouse butcher's shop, all meat and sausage products are crafted by hand, and our motivated kitchen team prepares every dish fresh for you.

Our beers are unfiltered and go straight from our storage cellar to the tap. This natural product requires special care and expertise, which our brewmaster brings with great passion.

Our dedicated service team brings all these elements together to ensure that you feel completely at home with us.

*We wish you a wonderful time
and look forward to your visit!*

**With heart for
body and soul**

SAUSAGE CRAFT SINCE 1949

Our love for the meat and sausage trade already exists in the third generation. Even today we produce fresh quality with heart here on site. Hence, we not only know what's inside – we also decide what goes in. And when good, regional quality is processed into handcrafted, down-to-earth products out of tradition, this seems self-evident to us and does not require any trendy designations. Out of love for the craft and the respect for the product and the tradition, not just the meat products are produced by us.

30 years of “Team hospitality!”

*We are proud of our team,
who work with heart and soul
every day for your satisfaction
& lives our hospitality.*

We preserve and promote what often recedes into the background or even fades into oblivion due to digitalization and efficiency – social and emotional relationships combined with expertise.

In the areas of brewery, butchery, and kitchen, we employ the rare species of masters and journeymen who daily apply their learned craft for the satisfaction of our guests.

We don't just employ staff – we work with characters in a familial environment. Many of our lovable characters have been with us for over fifteen years, and some for a solid thirty.

We have the privilege of accompanying our numerous regular guests through their various life phases – sharing joyous moments with them, but also supporting them through sadness. It is also a daily positive challenge to meet, assess, and fulfill the needs of new people.

This is exactly what fills us with joy and enriches the stories that our establishment has been telling for thirty years now.

*We love the craft,
your Maximilians Brauwiesen Team*
